

Curriculum Vitae

Dr. AMAR NATH CHATTERJEE

Assistant Professor and H.O.D,

Department of Mathematics

K.L.S COLLEGE,

A Constituent Unit under Magadh University

Bihar, India

Contact No.: +91-7980114681; +91-9477007757

- Email: anchaterji@gmail.com, mathhod@klscollegenawada.org

ACADEMIC QUALIFICATION (HIGHER DEGREE)

Examination	Year of Passing	Board/University	Institute
B.Sc (Math Hons.)	2001	Jadavpur University	Jadavpur University
M.Sc (Applied Math)	2003	Jadavpur University	Jadavpur University
B.Ed	2008	St.Xavier's(Auto)	Calcutta University
PhD	2013	Jadavpur University	Jadavpur University

RESEARCH EXPERIENCE:

Name of the Institute/University	Jadavpur University
Title of the Thesis	<u>Mathematical Modeling on the Dynamics of HIV/AIDS incorporating Control Theoretic Concepts and Studies on Relevant Aspects of the Model Dynamics</u>
Name of the Supervisor	Prof (Dr.) Priti Kumar Roy , Department of Mathematics, Jadavpur University, Kolkata-700032.
Area	Mathematical Biology

PAPER PUBLISHED/ACCEPTED:

PARTICIPATION IN SCHOOLS/WORKSHOP/CONFERENCES

1. International Conference on “**Recent Trends and Innovations in Multidisciplinary Research (ICRTIMR-2020)**” held at IEC University, Baddi, H.P in Association with GMREA on 14th March, 2020 and presented a talk on “**Cytotoxic T Lymphocyte Vaccination for Hepatitis C: A Mathematical Approach.**”
2. UGC-Sponsored “**95th Orientation Programme**”, held at UGC-HRDC, Ranchi University, Ranchi. from 10.06.2019 to 30.06.2019 and obtained Grade A).
3. Workshop on “**Growth Curve Models in Population Dynamics using R for Biologists**” organised by the Agricultural and Ecological Research Unit, ISI, Kolkata February 12 - 13, 2019.
4. National Seminar on “**Application of Technical Terms in Research and Teaching in Computer Science and Mathematics**” held at Department of Mathematics, Magadh University, Bodh Gaya Sponsored by CSTT on 18-19th September, 2018) participated as delegate.
5. National Seminar on “**Contemporary Research in Theoretical and Applicable Mathematics 2018 (CRTAM 2018)**” held at Dept. of Mathematics, The Bhawanipur Educational Society College, Kolkata on 14-15th September, 2018) and presented a talk on “**The Effect of Immune Responses in HCV Disease Progression.**”
6. International Conference on “**Dynamical Systems and Mathematical Biology (ICDSMB 2014)**” held at Jadavpur University on 17-19th Nov, 2014 and presented a talk on “**Anti-viral drug treatment along with immune activator IL-2: A control based mathematical approach for HIV infection**”.
7. National Conference on “**Mathematical and Theoretical Biology (NCMTB 2014)**” held at Jadavpur University on 20-21 Feb, 2014 and presented a talk on “**Effect of Pulse CTL Vaccination in HIV Treatment: A Mathematical Study**”.
8. **India Biodiversity Meet 2013 (IBM 2013)** held at Indian Statistical Institute, Kolkata on 14th -16th March, 2013 and presented a talk on “**The Impact of pulse vaccination on the transmission dynamics of Rotavirus diarrhea**”.
9. 2nd International Conference on “**Mathematical Sciences and Applications**”, 15th to 16th December 2012 New Delhi, India, Presented a talk on “**Mathematical Model for Suppression of Sand Flies through IRS with DDT in Visceral Leishmaniasis**”.
10. “**International conference on Dynamical System (ICDS 2012)**” held at Jadavpur University, Kolkata on 11th -14th January, 2012 and presented a talk on “**The Effect of Perfect Drug Adherence to Dendritic Cell and Immune Cell Interaction in HIV Disease Progression**”.
11. **Seminar on Mathematical Biology.** (Organized by Department of Computing Science and Mathematics, **University of Stirling, Stirling, UK**, September, 2011) Presented a talk on “**Effect of perfect adherence of chemokine analog in HIV infection: A model based study**”.

12. **Seminar on Mathematical Biology** organized by Department of Mathematics & Statistics, **University of Strathclyde, Glasgow, UK** and presented a talk on “**Effect of perfect adherence of chemokine analog in HIV infection: A model based study**” on September, 2011.
13. **National Conference on Mathematical Science and Applications: State of the Art (NCMSA 2011)** held at Jadavpur University, Kolkata on 13th -14th January, 2011.
14. **IMSc. Conference on Modeling Infectious Diseases** held at The IMSc, Chennai on 20th -22th September, 2010 and presented a paper entitled “**Delay effect in a mathematical model of HIV infected T- Cells against killing by CTL**”.
15. **National conference on mathematical Science and Applications: State of the Art (NCMSA 2010)** held at Jadavpur University, Kolkata on 14th -16th March, 2010 and presented a paper entitled “**Delay effect in a mathematical model of HIV infected T- Cells against killing by CTL**”.
16. **One Day Colloquium on Mathematical Biology and Ecology** held at Department of Mathematics, J.U, Kol-32 on 20th February, 2009).

Other Academic Activity:

1. UGC Nodal Officer-K.L.S College, Nawada, Bihar.
2. N-List College Administrator, K.L.S. College, Nawada, Bihar.
3. Editorial Board Member: “Mathematical Modelling and Application-Science Publishing Group.”
4. Reviewer: “Results in Applied Mathematics,”
<https://www.sciencedirect.com/journal/results-in-applied-mathematics>.
5. Reviewer: “International Journal of Applied and Computational Mathematics”,
<https://www.springer.com/journal/40819>
6. Reviewer: “International Journal of Nonlinear Sciences and Numerical Simulation”, DE Gruyter.
7. Reviewer: “Journal of Control and Systems Engineering” (JCSE),
<http://www.bowenpublishing.com/jcse/>.
8. Resource Person: “A One Day National Seminar on Interdisciplinary Mathematics : An Evaluation” on 17th April, 2019, Organised by Dept. of Mathematics, Achhruram Memorial College, Jhalda.
9. **Visiting Scholar** in the Department of Mathematics & Statistics, **University of Strathclyde, Glasgow, UK** for the period of 16th September 2011-29th September, 2011 to collaborate with **Dr. Devid Greenhalgh** and colleagues.

Professional Memberships

1. Bio mathematical Society of India, 2010-Present.
2. Indian Society of Industrial and Applied Mathematics, 2018-Present.
